final list of insights

ten insights were brough forward in this process

1. **clarity:** clear and concise information supports the user, highlights the message, and reinforces our brand tone.
2. **strategy:** creating a streamline process using decks that elevate the client and clearly explain our process will help us win more business. (what's most important about us, is you)
3. **clients:** with successful client stories we can leverage them to build connections with prospective clients. those conversations will be more unique and specific.
4. **language:** when we follow our language strategy, we embrace our brand, and our audience recognizes that partnership. (when we follow our language strategy, we embrace the Courageous Cultivator)
5. **people:** when we bring our people forward, we anchor in our values and that honesty helps us retain better people. (people centric solutions, always)
6. **consistency:** with additional research and audience understanding we can create a road map that drives consistency.
7. **design/photo:** when the visuals represent the brand, clarity is brought to the forefront which makes it easier to drive consistency. (the best assets evoke an emotional response without requiring a heavy Fathomer lift)
8. **repetition:** when we're being repetitious or complacent, we don't honor the uniqueness of the prospect, client, Fathomer
9. **plan/process**: when we have a plan/process in place we can deliver unparalleled partnership to prospects, clients, Fathomers
10. **time:** when we allow ourselves time to be specific/intentional we can communicate clearly and uniquely to prospects, clients, Fathomers
